

# Brook Creative Therapy

## Creative therapy training for Christian counsellors Academic year 2010-11

*Creative, practical skills for Christian counsellors and trainees working with adults and children. Each day can count as 6 hours' CPD.*

### **Introduction to Transactional Analysis for Christian Counsellors**

Rugby, Warwickshire, Saturday 18 September 2010

Thornton Heath, South London, Saturday 25 September 2010

**This workshop provides you with exciting tools in working with clients. If you decide to qualify in transactional analysis, these hours will count towards the 300 you need.**

### **Creative Therapy Techniques for Christian Counsellors**

Thornton Heath, South London, Saturday 16 October 2010

Rugby, Warwickshire, Saturday 6 November 2010

**This practical day gives a fast-paced overview of how to start using creative therapy with clients. There will be many games and activities for you to put in your 'toolkit'.**

Other workshops for Christian counsellors planned:

***Using Sandtray Therapy with Adults*** (2 separate days)

***Working with Abuse and Abandonment***

***Developing Empathy and Intuition***

**Please bring some food and drink to share together for lunch on each day.**

**Course leaders:** Roger Day UKCP Registered Psychotherapist, PTSTA (P), Certified Play Therapist; Christine Day NNEB, Diploma in Counselling. Roger and Christine have been married for over 32 years and are committed Christians, having lived and worked as missionaries in Romania for over four years.

**Costs:** A deposit of £10 per day will secure a place. Each day event costs a total of £30 if deposit received by 31 July 2010 or £35 from 1 August 2010. Preferred payment method: PayPal. Simply email the dates you want to book and we will invoice you. You could also pay a deposit by sending a cheque to the address below. For further information on each course and other information relevant to Christian counsellors see the Christian section accessed from the page 'Diversity' of our website:
