

Sevenoaks Counselling

*a professional service offered by
Christians to the whole community*

Sevenoaks Counselling - Self Employed Therapists

Sevenoaks Counselling is a small counselling charity based in Sevenoaks Kent. We were established in 1983 and have been operating in Sevenoaks for over thirty years, providing a trusted, professional, affordable service to the whole community.

Due to the retirement of two longstanding team members, we are looking for self-employed therapists to join our supportive therapy team.

There is a particular need for therapists with expertise working with adults plus couples and/or children & young people.

We are looking for experienced therapists ACC/BACP/ UKCP members or equivalent, accredited or working towards accreditation status. Applications are welcomed from counsellors, psychotherapists, counselling psychologists, family therapists and play therapists.

Self-employed contract, 3 to 10 client sessions per week, blend of F2F and phone/online, £22 per client counselling session plus up to £75/month contribution to supervision (prorated).

Sevenoaks Counselling is a Christian organisation and as such it is a requirement that therapists must be sympathetic to the Christian ethos of the service

For more information and an application pack please contact Sue Surgenor, Head of Counselling
