Research Supervisor

Contract Research Supervisor (Per Dissertation)

FOR EVERY GOOD WORK

WAVERLEY ABBEY COLLEGE

WE TRAIN COUNSELLORS AND CHAPLAINS

Waverley Abbey College trains Christians to become counsellors and chaplains through qualified, part-time courses grounded in a Christian worldview. Which is why we train more counsellors and chaplains than any other UK Christian institution.

Our practice-ready training is rigorous and rooted in faith. Yet our qualified counsellors can work with anyone—whether they have a faith or not.

Ongoing recruitment of several research supervisors for our undergraduate and postgraduate dissertation classes.

Undergraduate 10,000-word critical literature review @ £375 per student:

- > 5 hours of online supervision tutorials supporting the student through the research process, giving advice and recommending literature
- > Helping student refine their CLR proposal 1,500 words
- > Read one copy of draft dissertation and give feedback
- > Attend one dissertation team meeting per year online
- > Join the team to mark dissertations (first and second marking)
 - you mark two dissertations per student (second mark your supervisee, and first mark another student)
- > Respond to emails

Postgraduate 12-15,000-word research dissertation @ £450 per student:

- > 6 hours of online supervision tutorials supporting the student through the research process, giving advice and recommending literature
- > Helping student to ensure their ethical approval form (2-4000 words) is ready for the Research Ethics Committee.
- > Read one copy of draft dissertation and give feedback
- > Attend one dissertation team meeting per year online
- > Join the team to mark dissertations (first and second marking)
 - you mark two dissertations per student (second mark your supervisee, and first mark another student)
- > Respond to emails

Skills:

Essential

- > Masters or above in Counselling or equivalent field
- > Strong knowledge of theology
- > Sympathetic to Christian worldview and an understanding of Christian practice
- > Willing to take a minimum of 5 students

Desirable

- > Knowledge of Higher Education marking
- > Previous experience of supervising academic dissertations
